

# E-seminar

## WATER RESEARCH TO MARKET

to speed-up the transfer of water related research output  
to better implement the water directives

WATER RESEARCH TO MARKET - eSEMINAR

How to consider Global Change in water  
resources planning?

Thursday, 4<sup>th</sup> October 2012, 10:00-11:30 am

A decorative horizontal bar at the top of the slide consists of a grid of small squares in shades of orange, red, and yellow. On the left side of this bar is the European Union flag, which is a blue rectangle with twelve yellow stars arranged in a circle and the word "Life" written in a yellow script font.

# WATER RESEARCH TO MARKET E-SEMINARS

- The e-seminar is a part of the Water RtoM Promotion Marketing Strategy to accelerate the transfer of the research outputs to practitioners.
- To promote actively the innovations to attract potential practitioners ready to take over the innovations and to make them suitable for the end-users.
